Approved For Release 2003/08/25 : CIA-RDP62S00231A000100110095-8	
25 March 1959	
MEMORANDUM FOR: 25X1A9A	
SUBJECT : Background Information on Current Estimates.	
	2
1. In our recent conversations with it was quite clear that you and Len could use more background information on our current estimates. I am, therefore, attaching five	
	٠,١
items for Len's use in his discussions] ²
2. You will note that the Quarterly Estimate is and that the foreword states that it has not been co-] ^`
2. You will note that the Quarterly Estimate is and that the foreword states that it has not been co-ordinated outside CIA. The numbers in this paper differ in many respects from those of the USAF and other publications of the US] ^`
2. You will note that the Quarterly Estimate is and that the foreword states that it has not been co- ordinated outside CIA. The numbers in this paper differ in many	
2. You will note that the Quarterly Estimate is and that the foreword states that it has not been co-ordinated outside CIA. The numbers in this paper differ in many respects from those of the USAF and other publications of the US intelligence community. I am sure that you will handle them] -`
